Expert Residency Preliminary Certification Application

Ensure Educator Excellence:	<p>Every student must have highly effective teachers.</p> <p>Every school must have highly effective leaders and support professionals.</p> <p>We must support educators throughout their careers.</p>
<p>Expert Residency Preliminary Certificate is a preliminary certificate awarded to prospective educators who demonstrate sufficient preparation in subject matter, administrative expertise, or other certificate area specific requirements to be considered for positions as educators while pursuing certification. These prospective educators can seek employment as teachers of record in employing agencies that are willing to employ them while the individual pursues full certification. Certified educators seeking to add new certification areas may also use the Expert Residency Certificate as part of a route to certification.</p>

Read the statements in the box below, provide answers to the following questions by placing a V in the appropriate box, and sign and date the authorization line attesting to the accuracy of the information in this application.

Teachers and other school personnel certified by the State of Rhode Island must be of good moral character. Rhode Island General Law 16-12-3 states that "Every teacher shall aim to implant and cultivate in the minds of all children committed to his care the principles of morality and virtue." Your answers to the following questions regarding your employment, criminal, and certification history are important. Any criminal matter covered by a question must be disclosed regardless of how long ago it occurred or how unimportant it may seem. Criminal matters do not necessarily preclude certification, but the failure to answer a question truthfully may result in disqualification. Furthermore, Rhode Island General Law 11-18-1 prohibits the submission of a document containing a false and misleading statement to a public agency, and Rhode Island General Law 11-58-1 prohibits the use of a falsified educational record of a postsecondary institution.

Disclosure of the Social Security Number on page1 is mandatory. It will be furnished to the Rhode Island Division of Taxation pursuant to Chapter 76 of Title 5 of the Rhode Island General Laws, which states that any person applying for or renewing a license to conduct a profession within Rhode Island must have filed all required state tax returns and paid all taxes due the state. The statute also requires the following certification: "I hereby certify, under penalty of perjury, that I have filed all required state tax returns and have either paid all taxes due the state, entered into a written time payment agreement with the Rhode Island Division of Taxation, or am pursuing administrative or appellate review of unpaid taxes."
